

Single-Ended Cordsets  
BIS C-521-PVC-02  
Order Code: BCC00PK

1) Cable length see text

Basic features

|                     |                    |
|---------------------|--------------------|
| Approval/Conformity | CE<br>UKCA<br>WEEE |
|---------------------|--------------------|

Electrical connection

|                         |                               |
|-------------------------|-------------------------------|
| Cable                   | PVC Shielded gray, 2 m        |
| Cable diameter D        | 5.80 mm                       |
| Conductor cross-section | 0.25 mm²                      |
| Connection              | D-Sub-Female, straight, 9-pin |
| Connector configuration | Straight                      |
| Number of conductors    | 4                             |
| Number of pins          | 9                             |

Electrical data

|                       |                   |
|-----------------------|-------------------|
| Operating voltage Ub  | 125 VDC / 125 VAC |
| Rated current (40 °C) | 7.5 A             |

Environmental conditions

|                                     |             |
|-------------------------------------|-------------|
| Cable temperature, fixed routing    | -30...80 °C |
| Cable temperature, flexible routing | -5...80 °C  |
| IP rating                           | IP40        |

Material

|                             |          |
|-----------------------------|----------|
| Cable jacket material, note | Shielded |
| Cable jacket, material      | PVC      |

Mechanical data

|                     |        |
|---------------------|--------|
| Cable jacket, color | gray   |
| Cable length L      | 2.00 m |

Remarks

Connection cable: for internal service port RS 232 (on terminal strip) for connecting to PC.  
1x MIN D female 9-pin threaded on with 3-conductor cable end incl. end ferrules  
Enclosure rating per IEC 60529 or ISO 20653, only in screwed state with the associated mating piece.
