

Product designation

Product type designation

General characteristics

Colour

Yellow control station LPZP1A5 complete with mushroom pushbutton turn-to-release LPCB6644 2NC LPZP1B5601

Material

IEC degree of protection

Polycarbonate

IP66, IP67, IP69K

Ambient conditions

Temperature

Operating temperature

min	°C	-25
max	°C	+70

Storage temperature

min	°C	-40
max	°C	+85

Dimensions

Knockout for M20/M25/PG13.5/PG16 (on top and bottom)

Certifications and compliance

Certificates

cULus

ETIM classification

ETIM 8.0

EC000225 -  
Control circuit
