

Product designation

Yellow control station with shroud  
LPZP1A5P complete with mushroom pushbutton turn-to-release  
LPCB6644 1NC  
LPZP1B5P603

Product type designation

General characteristics

Colour

Yellow

Material

Polycarbonate

IEC degree of protection

IP66, IP67,  
IP69K

Mechanical features

Tightening torque for terminals max

Nm 1

Ambient conditions

Temperature

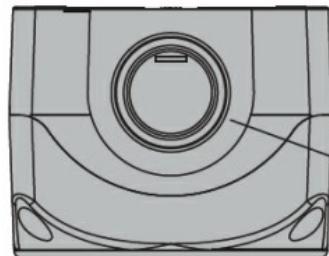

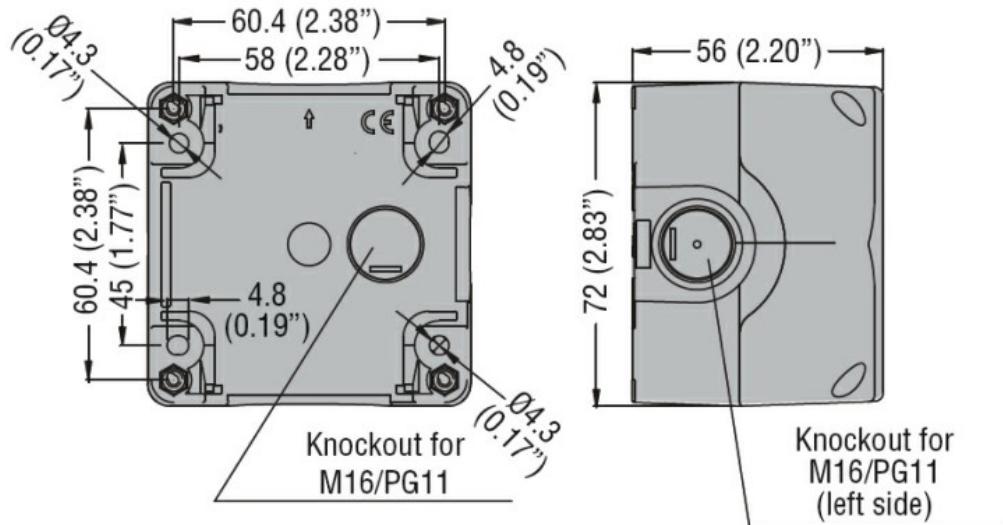

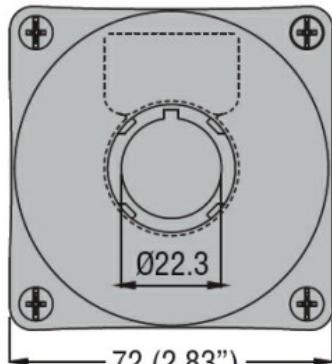

Operating temperature

	min	°C	-25
	max	°C	+70

Storage temperature

	min	°C	-40
	max	°C	+85

Dimensions

Knockout for  
M20/M25/PG13.5/PG16  
(on top and bottom)

## Certifications and compliance

### Certificates

cULus

### ETIM classification

ETIM 8.0

EC000225 -  
Control circuit  
devices  
combination in  
enclosure
