

Activator BT37

- With one operating surface

Activator for F25 series

Dimensions

Technical Data

General specifications

Ring diameter

Spring ring height

Ambient conditions

Ambient temperature -25 ... 70 °C (-13 ... 158 °F)

Mechanical specifications

Shaft diameter ≤ 35 mm

Shaft height 17 mm

Material

Housing PS495F

Stopper cap PBT (1 unit black)

Mounting screw Stainless steel 1.4305 / AISI 303

Mass 30 g
