Detailed technical data

Technical specifications

Connection type head A	Male connector, RJ45, 8-pin, straight
Connection type head B	Male connector, RJ45, 8-pin, straight
Locking nut material	Plastic
Cable	5 m, PVC
Jacket material	PVC
Cable diameter	6.5 mm
Shielding	Unshielded
Signal type	Ethernet, Gigabit Ethernet
Transmission characteristics	CAT6A
Special feature	Push-pull male connector

SICK AT A GLANCE

SICK is one of the leading manufacturers of intelligent sensors and sensor solutions for industrial applications. A unique range of products and services creates the perfect basis for controlling processes securely and efficiently, protecting individuals from accidents and preventing damage to the environment.

We have extensive experience in a wide range of industries and understand their processes and requirements. With intelligent sensors, we can deliver exactly what our customers need. In application centers in Europe, Asia and North America, system solutions are tested and optimized in accordance with customer specifications. All this makes us a reliable supplier and development partner.

Comprehensive services complete our offering: SICK LifeTime Services provide support throughout the machine life cycle and ensure safety and productivity.

For us, that is “Sensor Intelligence.”
