

Adapter Box

RS-485 to RS-232

A485-232

Part Number

 **wenglor**
the innovative family

Technical Data

Electrical Data

Supply Voltage 10...30 V DC

Current Consumption (Ub = 24 V) < 10 mA

Interface RS-232/485

Mechanical Data

Degree of Protection IP65

Temperature Range -25...60 °C

Housing Material Plastic

Scope of delivery Connection cables

Packaging unit 1 Piece

- Connection cable SUB D, 9-pin included in delivery

Complementary Products

Connection Box for USB Interface AB-USB01

Interface Cable S11-10M

All dimensions in mm (1 mm = 0.03937 Inch)
