

Baffle Plate for M18 x 1

Z0021

Part Number

Technical Data

Mechanical Data

| | |
|----------------------|-----------------|
| Material | Stainless Steel |
| Deflection about 90° | yes |
| Packaging unit | 1 Piece |

- Deflection about 90°
- For M18 x 1

Use of the baffle plate does not influence the range or sonic cone of the ultrasonic sensors. The mounting clearance between the sensor's active surface and the baffle plate must be subtracted from the sensor's maximum range.

All dimensions in mm (1 mm = 0.03937 Inch)

RoHS
