

# Glass Fiber-Optic Cable

Reflex Mode for P1XF

## Z95D001

Part Number

### Technical Data

#### Optical Data

|                       |                     |
|-----------------------|---------------------|
| Fiber Bundle Diameter | 3 mm                |
| Fiber                 | Step Index          |
| Fiber Distribution    | statistical mixture |

#### Mechanical Data

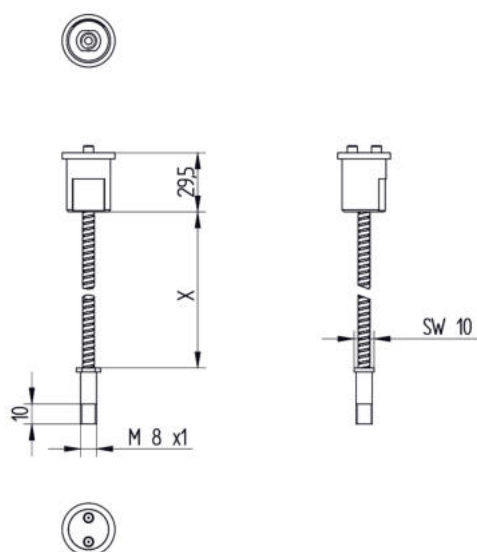

|                    |                     |
|--------------------|---------------------|
| Temperature Range  | 0...60 °C           |
| Bending Radius     | 50 mm               |
| Fiber Optic Length | 1 m                 |
| Material Jacket    | CuZn, nickel-plated |

Fiber Optic Cable Adapter No.

01
