

Mounting Console for Ø 20 mm

ZMKII0001

Part Number

 **wenglor**
the innovative family

InoxSens

Technical Data

Mechanical Data

Material	Stainless steel 316L
Material Sealing	Silicone (FDA)
Material O-Ring	FPM (FDA)
Degree of Protection	IP68/IP69K
Packaging unit	1 Piece
Hygienic Design	
Detergent resistant	
Mounting Number	140

- **Hygienic design makes it easy to clean**
- **Made with food safe materials that are FDA approved**
- **Resistant to cleaning agents**

InoxSens is the hygiene series from wenglor. In addition to numerous other components, the InoxSens mounting console is also part of this complete system, which is seamlessly integrated into the machine. InoxSens sensors and mounting tubes can be fed through the system's side panel and mounted in a gap-free fashion with the help of the mounting console.

All dimensions in mm (1 mm = 0.03937 Inch)
