

Power Supply Unit for 1D/2D Handheld Code Scanners

ZNN002

Part Number

 **wenglor**
the innovative family

Technical Data

Electrical Data

Supply Voltage	110 V AC
Voltage Output Sensor	5 V DC
Load Current Voltage Output Sensor	1,2 A

- Power supply for 1D/2D handheld scanners
- Power supply for charging stations

Complementary Products

1D/2D handheld scanner CSLH001/CSLH002

USB Charging Station ZNNG018
