# Protective Housing
**for weQube, BLN and  50 × 50 × 30 mm (P)**

## ZNNS001
Part Number

### Technical Data

| Mechanical Data | |
|---|---|
| Material | Stainless steel 316L |
| Optic Cover | PMMA (FDA) |
| Degree of Protection | IP69K |
| Material Sealing | Silicone (FDA) |
| Mounting Type | Mounting Tube |
| Packaging unit | 1 Piece |
| Hygienic Design | ● |
| Detergent resistant | ● |
| Mounting Number | 511 |
| Suitable Mounting Technology No. | 500  501 |

Temperature range depends on the installed sensor.
Suitable for straight cables.

- ● **Hygienic design makes it easy to clean**
- ● **Integrates time tested wenglor products**
- ● **Made with food safe materials that are FDA approved**
- ● **Resistant to cleaning agents**

InoxSens is wenglor's hygienic product range. In combination with the InoxSens protective housing, numerous wenglor products are suitable for cleaning-intensive environments, e.g. Smart Cameras, Vision Sensors, Scanners and High-Performance Distance Sensors. In addition to high levels of protection, the InoxSens protective housing also assures optimized heat dissipation.
